

# Delta Community Credit Union

## Integrated Facility Management Services

For over 10 years, ABM has been a facility services partner for Delta Community Credit Union, the largest credit unions in the state of Georgia—in terms of assets size and membership—and among the 25 largest credit unions in the U.S.

### CHALLENGE

Facing tired-looking infrastructure, as well as aging mechanical systems, Delta Community was looking for a facility services company to maintain their retail branches, corporate offices, data centers, and grounds.

### SOLUTION

ABM developed an integrated facility services program that includes facility maintenance, mail room assistance, landscaping, and courier service at Delta Community's 21 locations.

### BENEFITS

ABM's facility services solution brings the following benefits:

- Through our special services—painting, pressure washing, and landscape renewal—Delta Community's facilities are kept looking fresher for their customers and the amount of time between capital refurbishing is extended
- Through our routine and emergency maintenance of the mechanical systems, the systems work more efficiently, extending their life and saving cost

### Contract Facts

- Service: Integrated Facility Management
- Start Date: 2007
- Locations: 21
- ABM Benefit: Increased efficiency of mechanical systems, lower costs, increased tenant satisfaction
